EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claim 4, --fluidic spray system for producing a-- has been inserted after "A" in line 1.

Applicant's amendment filed May 17, 2007 indicated that claim 4 was amended to include the limitations of its parent claim. It appears that applicant inadvertently omitted portions of the original preamble as a result of a typographical error.
